WINEENTHUSIAST

2023 Cabernet Franc, Beamsville Bench, Estate Grown – 91 | *Best Buy*
Top 100 Best Buys of 2025 | #74

The aromas of Bing cherry snow cones, violets, blackberries and chamomile are so fresh that it feels like someone opened the window for a breeze to pass by. It is a bit different when you take your first sip. A crispy blackberry turnover flavour is pierced by a black tea note matched by leathery tannins. This is an attractive yin-yang situation.

A Note on Sustainability

In contrast to organic and biodynamic certifications, sustainability applies not only to the growing environmental challenges of our times, but also the social and economic issues we face around the globe. While overlapping with organics and biodynamics in some areas, sustainable practices generally extend beyond agricultural practices and their effects on the environment and share these **core pillars**:

The Environment Farming practices that preserve the land for future generations through soil conservation, biodiversity enhancement, energy efficiency, and water and waste management.

The Economy Business practices that are profitable, fair to employees, and promote stable, long-term growth.

The Community Promotion of workplace equity and diversity alongside the cultivation of positive relationships with community stakeholders.

Winery Spotlight / Vima Borgogno, Barolo

2020 Noi Barolo / 93pts / Monica Lamer for Wine Advocate

The Vima 2020 Barolo Noi shows a classic Nebbiolo nose with dried redcurrant, dusty licorice, bitter chocolate and candied orange peel studded with cloves. The tight tannin component, over the wine's mid-weight texture, wants a fatty food like a marbled steak. Fruit comes from Perno, Castagni, Berri, Boiolo, San Giovanni, Sottocastello di Novello and Cerviano-Merli.

2019 Cannubi Barolo / 96pts / Monica Lamer for Wine Advocate

The Vima 2019 Barolo Cannubi reveals that special softness or silkiness that always comes from this celebrated cru site, especially when made in deft hands. This wine is distinguished by a peppery note that you don't always get but that adds so much extra dimension and complexity to this wine. It otherwise shows dark currant, spice and campfire ash. The vines are now 40 years old on Sant'Agata marl soils rich in fossils. Winemaking sees a brief 10-12 days of fermentation with délestage for softer cap management, and it ages in tonneaux for 18 months. Only 6,000 bottles were made. This vintage comes out like gangbusters. It is very beautiful and nuanced.

2021 'San Giovanni' Barbera d'Alba/ 91pts / Claire Nesbitt for James Suckling

Attractive aromas of blackberries, cherries, vanilla and chocolate. It's juicy and lively, ripe yet fresh, with a full body and a tasty finish. Drink now.
